ADMIN COMMENTS:

402.5 Information on Site Plan

The purpose of the Site Plan is to show the facts needed to enable the Planning & Zoning Commission and/or Board of Adjustment to determine whether the proposed development complies with the standards of this Ordinance.

- 1.** Location map showing relationship to surrounding roads, streams, and public facilities.
- 2.** Scale of Site Plan shall not be more than one (1) inch to equal fifty (50) feet. Scale shall be shown in legend.
- 3.** Home and address of landowner and developer.
- 4.** Date, north marker, and name of proposed development.
- 5.** Existing buildings, utilities, railroads, rights-of-way, easements, location, and name of existing roads stands of trees and drainage ways.
- 6.** Location and name of adjoining subdivisions, subdivision lots therein and names of the adjoining landowners.
- 7.** Zoning district classification.
- 8.** Type of water supply, sewage disposal and storm sewer disposal.
- 9.** Proposed location of buildings, parking lots, etc.
- 10.** Determination of flood elevations and relationship of proposed development to flood prone areas, if applicable.
- 11.** Any additional information as may be requested by the Zoning Administrator.
- 12.** When applicable, a Ground Water Discharge Permit Application must be obtained from the Iowa Department of Natural Resources prior to any construction and proof of that permit be submitted at the time of application for building permits.
